NEW A GOOD PAPER

The following occurrence is vouched for by reliable young people who are students at the Paris City School: In one of the classes the other day the pupils were naming some of the greatest things in their line in the United States. One pupil was asked to give the name of the best newspaper in Central Kentucky. Being a good friend of her home paper, she very promptly answered: "THE BOURBON NEWS." We greatly appreciate the compliment and will gladly testify to this young woman's loyalty being of the 100 per cent. kind. We have no comment, however, to make on her judgment.

IT'S WEAR LIKE THIS THAT CUTS YOUR SHOE EXPENSE

Stepping on small pieces of hot metal, walking on sharp chips of steel, standing in hot sand—these, and other harsh conditions of walking surfaces, in a steel plant, have no apparent effect on Neolin Soles. So says R. J. Doty, plant superintendent of the Siver Steel Casting Company, Milwaukee, Wisconsin.

"The best oak tanned leather soles last about three weeks under the above given them in the factory, while I have been wearing a pair of Neolin Soles for more than three months. And to all appearances, they are as good as when first put on my shoes," says Mr. Doty.

Only Neolin Soles can resist wear and abuse like this. They are created by Science to be very tough and durable—flexible and waterproof, too. To reduce your own shoe expense, and to cut the family shoe bills, buy Neolin-soled shoes. You can get them in many styles for men, women, and children.

And have your worn shoes re-bottomed with Neolin Soles. These long-wearing soles are manufactured by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Vingfoot Heels—guaranteed to outlast all other heels.

WARNING—DOG OWNERS!

Owners of dogs should take warning from the fact that there is a State law that all dogs must be either tied or confined from sundown to sun-up every night. If your dog runs loose every night, you can expect some one to kill it and still do exactly what the law allows and permits. A man has a perfect right to shoot a dog that runs around his premises at night and the owner has no right in the law for recourse from the killing.

DOES WORK AS WELL AS EVER

Loves To Get Up and Do Household

Work Since Taking
Meritone

"I get up and do my household work now, just as well as I ever did when I was at my best," said Mrs. Helen Barker, of 614 Virginia avenue, Knoxville, Tenn.

"Three weeks ago I was discouraged about my health. For a long time I was in a run down condition. I lost all my energy and my household work seemed almost too much for me. My stomach was out of order and wouldn't digest my food right.

Rapid Change.

"Three weeks ago to-day, I started taking Meritone.

"I've got a big fine appetite now and I eat everything I can get my hands on and digest it perfectly.

"My strength and energy came back, and as I said I love to get up and do my work, and I can do it as well as I ever did when I was at my best.

"I'm glad to recommend Meritone and have already written to some of my friends and advised them to get Meritone."

Meritone is the tonic of real merit that hundreds of people are taking in all parts of the country. It has no superior as a tonic and strengthener. It is recommended for ailing conditions of the stomach, liver, kidneys or for catarrh, rheumatism, sleeplessness or lack of appetite.

"FAKE" ASPIRIN WAS TALCUM

Therefore Insist Upon Genuine "Bayer Tablets of Aspirin"

Millions of fraudulent Aspirin Tablets were sold by a Brooklyn manufacturer, which later proved to be composed mainly of Talcum Powder. "Bayer Tablets of Aspirin" the true, genuine, American made and American owned Tablets are marked with the safety "Bayer Cross."

Ask for and then insist upon "Bayer Tablets of Aspirin" and always buy them in the original Bayer package, which contains proper directions and dosage.

Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid.

Here's the big work, little cost tractor—the Titan

THE Titan 10-20 has been on the market for years, and has made good without reservation. 10 horsepower at the draw bar—20 horsepower at the belt.

A well-balanced tractor that is suited to all farm power work. It drives easily, affords maximum pulling power for its weight, and is suited in every way to the general run of farm work. Not too large for the small farm, yet large enough to handle a great volume of work.

Use it with an Oliver Plow—

We recommend that you use an Oliver plow with your Titan tractor because it means the best plowing under all conditions. The combined rolling coulter and jointer buries all trash and weeds at the bottom of the furrow; the stop device maintains an even depth of furrow; the plow points enter and leave the ground first, making it possible to plow clear to the ends of the field; and the trip rope control operates easily from the driver's seat on the tractor.

We have a full line of Oliver plows as well as the Titan tractor here at our salesroom.
